FROM OUR LEGACY TO YOURS.

Serving our industry since 1993.

YOUR RINK IS—OR CERTAINLY WILL BE—the centerpiece of your indoor facility, outdoor community space or even your own backyard. For this reason, your success has been the core foundation of what we do. For 30 years, Rink Systems has been family-owned and operated, designing and manufacturing dasher board solutions and arena products right in our own facility in Albert Lea, Minnesota. Along with our fine products, our service commitment is steadfast in every project in which we are involved. Whether its new construction, renovations or the yearly maintenance to keep your rink in top-notch shape, we have highly trained staff eager to help. From start to finish, season to season, we want you to "Love Your Rink!"

You can trust that our products are delivered with the features that you expect. In order to accomplish this objective, we have developed and gathered products of the best technical specifications available in the industry.

We continually institute a process of ongoing improvement so that the products we deliver now and in the future are of the highest quality and are the most reliable in the industry. Together, we move forward with experience and innovation to create solutions that are not only safe and look good, but last.

As always, we welcome your ideas as we partner with you to meet your current and future needs. Our mission is providing you "sports solutions that will better your rink life!" Whether you are new to the industry or are a seasoned veteran, we are here to serve your best rink life!

Sincerely,

Stacey Overgaard, P.E.
President, Rink Systems

RINK SYSTEMS EST. 1993

FAMILY-OWNED.
American made.

AS THE LEADING FAMILY-OWNED, AMERICAN-MADE

manufacturer of dasher board systems for 30 years, Rink Systems brings together unmatched service, craftsmanship and industry-leading innovation to create sports solutions that not only look great, but last.

It's our commitment to every project that we are involved in.

Goal Frames, Pads & Netting

40" Professional Goal Package

#109-0115. Make it a package deal! Combine our 40" goal with pads and netting. Package includes:

- Pair of goal frames
- Pair of 6mm resin netting
- Pair of vertical back pads
- Pair of bottom pads
- Pair of Guardian® net protectors
- Roll of lacing twine
- Strung/unstrung (additional cost for stringing)

#109-0116. Also available as a 44" goal package with same items included as listed above.

40" Professional Frame

#109-0021. Meets and/or exceeds all NHL and NCAA specifications. Both red and red/white powder coat finish is guaranteed tough. *Netting sold separately. Qty 1.*

#109-0020. 44" goal frame also available upon request. *Netting sold separately. Qty 1.*

Junior Goal

#109-0400. One-piece fully welded 100% steel frame with 2" heavy duty steel tubing. Premium quality red powder-coated finish. Full-perimeter steel lacing for net attachment. NHL pro-grade 5mm nylon netting with lacing twine. Strung/unstrung (additional cost for stringing). USA hockey approved for Cross-Ice Hockey. 4′ x 3′ with 24" deep rectangular base. *Qty 1.*

Mini Goal

#109-0500. One-piece fully welded 100% steel frame with 1-3/8" heavy duty steel tubing. Premium quality red powder-coated finish. Full-perimeter steel lacing for net attachment. NHL pro-grade 5mm nylon netting with lacing twine. Strung/unstrung (additional cost for stringing). 3′ x 2′ with 20" deep rectangular base. *Qty 1.*

W Goal

One-piece (Pro) or two-piece (Junior) fully welded 100% steel frame with 1-1/2" heavy duty steel tubing. Premium quality red powder-coated finish. Full-perimeter steel lacing for net attachment. NHL pro-grade 5mm nylon netting with lacing twine. Strung/unstrung (additional cost for stringing). *Qty 1.*

- ***#109-0700.*** Pro: 4′ x 6′
- ***#109-0600.*** Junior: 3′ x 4′ (hardware included)

TRANSPORTERS

BROOMBALL AND SOCCER GOALS ALSO AVAILABLE.

See page 11 to learn more.

Pro Net Caddie Transporter

***NEW!* #109-0049.** Designed to eliminate heavy goal lifting, minimizing the risk of work accidents or injury. Transport and store your goals right in the caddie, reducing rust and damage to your bottom bar and pad. Easy to use, three-piece unit features twin aluminum caster pegs, steel bottom bar holder with 3" swivel casters, easy-grip handle and caster peg holes to keep your caddie all in one place. *Sold in pairs.*

Goal Transporter

#109-0050. It's like a two-wheel cart for goals! Save wear and tear on your goals with this zinc-plated steel frame with two easy-roll wheels. Fits all regulation goals. *Qty 1.*

"The Mule" Goal Transporter

#109-0055. Move goals with ease! This 360 degree swivel caster moves goals with ease in hard to reach places, on all surfaces and folds up for convenient storage. The strong tubular framework is powder-coated, light weight and eliminates bottom bar damage. Fits regulation goals. *Qty 1.*

Practice Goal

#109-0006. One-piece fully welded 100% steel frame with 1-7/8" heavy duty steel tubing. Premium quality red powder-coated finish. Full-perimeter steel lacing for net attachment. NHL pro-grade 5mm nylon netting with lacing twine. Strung/unstrung (additional cost for stringing). 4' x 6' with 24" rectangular base. *Qty 1.*

Pond Hockey Goal

#109-0005. One-piece fully welded 100% steel frame with 1-3/8" heavy duty steel tubing. Premium quality red powder-coated finish. Full-perimeter steel lacing for net attachment. Pro-grade 6mm nylon netting with lacing twine. Strung/unstrung (additional cost for stringing). 36" x 6" x 12" deep rectangular base. *Qty 1.*

Bottom Bar Replacement

#109-0010. Save money by repairing your existing but worn-out goals. Curved, unpainted bottom bar comes with welded lacing rod in either 40" or 44" frames. Welding assembly is required. *Sold separately.*

6MM AND 5MM REPLACEMENT/ NEW GOAL NETTING—ALL SIZES

- ***#117-0015.*** Pro 6mm Resin *(Sold in pairs)*
- ***#117-0010.*** Pro 6mm *(Sold in pairs)*
- ***#117-0050.*** Pro/Practice 5mm *(Sold in pairs)*
- ***#117-0520.*** Junior 5mm *(Sold individually)*
- ***#117-0023.*** Mini 5mm *(Sold individually)*
- ***#117-0029.*** Pro W 5mm *(Sold individually)*
- ***#117-0028.*** Junior W 5mm *(Sold individually)*
- ***#117-0024.*** Pond Hockey 5mm *(Sold individually)*

EDGE PROTECH

#109-0001. Edge Protech is a hard rubber protector for the bottom of the goal posts to be used in goalie training, warm-ups and team practices. The Protech prevents nicks to the goalie's skate edges that can seriously damage their blades. *Sold in pairs.*

WALL MOUNT GOAL BRACKETS

#109-0002. Save on floor space by mounting your goals to the wall. This heavy duty steel assembly will keep your nets safely stored. Plastic insert prevents scratches and chipped paint. *Sold in pairs.*

NET/PAD PACKAGES

Package includes: Pair of 40" 6mm resin-dipped knotless ***(#117-0210)*** or 6mm knotless netting ***(#117-0205)*** · Pair of back pads · Pair of bottom pads · Pair of Guardian® net protectors · Roll of lacing twine · 44" packages also available ***(#117-0211)***.

PADS

PRO GOAL BOTTOM (BUMPER) PADS

#119-0060. 18 oz bright white vinyl construction with stitched, heavy duty metal grommets. Available for 40" and 44" goals. *Sold in pairs.*

PRO GOAL VERTICAL BACK PADS

#119-0051. 18 oz bright white vinyl construction with Velcro. *Sold in pairs.*

PRO GOAL TOP CENTER PADS

#119-0070. 18 oz bright white vinyl construction with Velcro strapping (18" on top center pad). *Sold in pairs.*

96" PRO GOAL TOP BAR PADS

#119-0080. 18 oz bright white vinyl construction with Velcro strapping. *Sold in pairs.*

LACING TWINE

Multi-use nylon twine.

- ***#117-0161.*** 100' roll
- ***#117-0160.*** 200' roll

Guardian® Net Protector

The Guardian® is ballistic nylon with an extra heavy duty 22 oz outer shell that hides and protects the lacing. *Sold in pairs.*

- ***#117-0153.*** 40" frame, 146" long
- ***#117-0152.*** 44" frame, 162" long

Clear Net Protector

Similar in design to The Guardian®, The Clear® has 22 oz heavy vinyl covering the lacing twine at the crinkle rod, but has clear 20 oz vinyl above—allowing for an unobstructed view into the goal! *Sold in pairs.*

- ***#117-0154.*** 44" frame, 162" long. Can be modified/cut to 146" long (40" frame).

NHL Net Protector

NHL approved, 24 oz white vinyl, "fitted" net protector. *Sold in pairs.*

- ***#117-0157.*** 40" protector with 20" clear window on each side, 146" long
- ***#117-0156.*** 44" protector with 24" clear window on each side, 162" long

Goalie Water Bottle Holder

Available in a variety of colors or customized with your logo. See page 10 to learn more.

Nylon Net Protector

Ballistic nylon with stitched, heavy duty metal grommets. For general or recreational use. *Sold in pairs.*

- ***#117-0151.*** 40" frame, 146" long
- ***#117-0150.*** 44" frame, 162" long

Custom Embroidery

Custom embroidery also available for your Guardian®. One-time set up fee. Send us your logo for a free quote.

PROTECTORS

Dual Pin Freeze-in Pegs

#121-0002. Now with larger pins! Made with strong, zinc- plated steel construction. Grips the ice for better holding. Pegs keep goals secure and in place and can be used in any indoor or outdoor ice rink. Easy installation. Fits any goal size. Adjustable and replaceable pins. 1-1/2" x 4-1/2". *Sold in pairs.*

Standard Freeze-in Pegs

#121-0003. Made with strong, zinc plated steel construction. Pegs keep goals secure and in place. Easy installation. Fits any goal size. Pegs can be used in any indoor or outdoor rink. 1-1/2" x 4-1/2". *Sold in pairs.*

Peg Keeper

#121-0004. Keep those pegs off the floor and out of the nets. Standard 12" x 3.5" HDPE wall mount design that holds up to 4 pegs. Quick and easy installation. Available in blue, red, and black. Custom sizing is also available. *Sold separately.*

Flex Pegs

- ***#121-0035.*** Straight 1-7/8" x 1-5/8" x 10" tall
- ***#121-0025.*** Skinny 1-7/8" x 13/16" x 10" tall
- ***#121-0036.*** Offset 1-7/8" x 1-5/8" x 10" tall

Each sold separately.

A and B. Guardian Anchorpegs and Game-ready Guardian Anchorpegs

#121-0006. Designed for use during training and warmups. Adjustable anchor tips drill 1/2" hole while threads freeze and grip to the solid anchor. Adjustability allows goalies to determine how much anchoring is needed. **Not intended for games. Sold in pairs.*

#121-0007. Designed for game day. Manufactured to prevent injuries and allow more competitive movements from post to post, plus decreasing stoppages in play. Adjustable anchor tips are driven in 2-3/8" and pierce the ice to a depth of 1/'" to 3/4". *Sold in pairs.*

C. Piranha Pegs

#121-0005. Constructed with an internal steel plate, stainless steel pegs and hardened styrene-Butadiene rubber. Prescision, strength and quick and easy installation. *Sold in pairs.*

D. Goal Peg Insert Plug

#301-0001. Custom expanding plug covers holes when goals are not in use. Flat top allows resurfacing while in place. Available in a variety of sizes. *Sold seperately.*

E. Inline Pegs

#121-0080. Designed for inline rinks, these rubber post inserts reduce goal movement on any playing surface. *Sold seperately.*

F. Flex Inserts

Internally-threaded stainless steel concrete inserts with brass plug for 1-5/8" or 13/16" flexpegs. Replacement plugs for all inserts and dasherboard anchors also available. *Sold separately.*

- ***#121-0040.*** 1" x 5" Cast/***#121-0045.*** 1" x 5" Epoxy
- ***#121-0060.*** 2" x 5" Cast/***#121-0065.*** 2" x 5" Epoxy

ARENA ACCESSORIES ALL IN ONE PLACE.

Make your job easier...order online at **www.rinksystems.com!**

Designed in partnership with USA Hockey

Aluminum Dividers

Features a 40" fully welded tubular framework with a 4" deep design for greater stability. Built with poly facing, kickplate, caprail and 30" player access gates. Interlocking panels make setup and take down easier. *Sold seperately.*

- ***#398-0002.*** 1/4" x 100'
- ***#398-0005.*** 3/8" x 100'
- ***#398-0003.*** 1/4" x 85'
- ***#398-0004.*** 3/8" x 85'

#101-0008. Portable storage cart is included.

Foam Dividers

Most economical way to add more ice time, improve skills and increase revenue. Features include box style foam pads with 18 oz vinyl and Velcro straps. Standard pads are 12" high x 8" wide. Available in a variety of colors. *Sold seperately.*

- ***#119-0002.*** 100' 10 PC 120" x 8" x 12" box style
- ***#119-0000.*** 85' 8 PC 120" x 8" x 12", 1 PC 60" x 8" x 12" box style
- ***#119-0001.*** 85" 8 PC 127.5" x 8" x 12" box style
- ***#119-0003.*** Custom size

*Aluminum divider netting kits also available. Kit includes steel support posts, 24' of black nylon netting and installation hardware **(#117-0020)**.*

Standard Poly Shooter Tutor

#109-0091. Fits a full size regulation goal frame. 3/8" poly with two galvanized steel hooks. Custom shooters available. *Qty 1.*

Shooter Tutor

#109-0090. Heavy duty 600 denier fabric with cut out corners and five holes. Bungee straps for easy installation and removal. Rolls up for storage. Weighted down with steel pipe. *Qty 1.*

Sharp Shooter Pro & Sharp Shooter Junior

Heavy-duty, professional grade. Great for skills training, improving accuracy and reducing puck retrieval time. Built from one solid piece of 1/2" HDPE along with two galvanized steel hooks to withstand the hardest shots. *Qty 1.* Standard colors are blue and red. Other colors available upon request.

- ***#109-0093.*** Pro size
- ***#109-0092.*** Junior size

Stealth Shooter

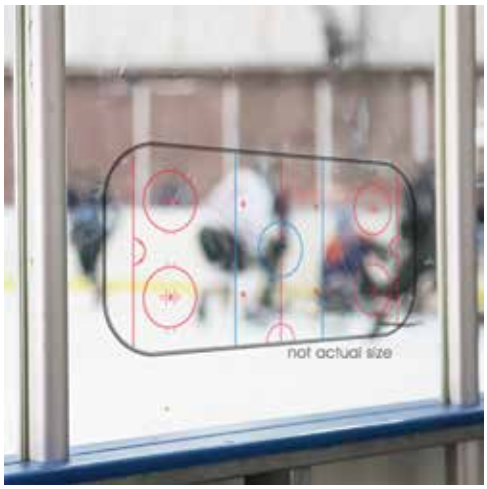

NEW! #109-0094. Give your players that clear line of vision and improve shooting accuracy. 3/8"poly with two galvanized steel hooks. Strong and durable product for trainings and team practices. Fits a full-size regulation goal frame. A Rink Systems innovation! *Qty 1.*

Skate Trainers and Replacement Rubber Feet

Designed to maintain correct center of gravity while gaining confidence on skates. Trainers have a tubular steel framework with a powder-coated finish and are also stackable. *Qty. 1. Rubber feet sold separately; sold in pairs.*

- ***#199-0155.*** Child size trainer, 26" tall
- ***#199-0156.*** Adult size trainer, 41" tall
- ***#327-0110.*** Child/Adult size rubber feet, 1"

Cling-on Rink Diagram

#103-0003. Cling-on rink diagrams for your tempered glass. Simple to place, easily removable and will not leave any marks. Size is 24" x 36". *Qty 1.*

Goalie Water Bottle Holder

Keep your goalies hydrated in practice and in games. Made with safety in mind, holders come with heavy duty Velcro straps. Customize your holder with your logo for a small additional price. *Qty 1.*

- ***#117-0026.*** Blue with red trim
- ***#117-0027.*** White with white trim

Also available in a variety of colors.

Inline Tiles

Mateflex: 1/2" x 12" x 12" tiles with interlocking modular design. Quick and easy assembly, superior durability, smooth and solid surface and low maintenance.

Dry Ice™–Synthetic Ice

Skate without the cost of ice rink refrigeration equipment. Use for off-ice shooting practice, goalie training and stick and puck handling. Unlike other synthetic ice surfaces on the market, Dry Ice™ has been engineered with today's newest plastic and laminating technology.

Hockey Scoreboards

In need of a new or replacement scoreboard? We offer a variety of brands, sizes, and styles to fit your space and budget.

Pucks

- ***#103-0002.*** Practice: Black, 5.6 oz. *100 per case.*
- ***#103-0009.*** Youth: Blue, 4 oz. *100 per case.*
- ***#103-0001.*** Game: Official size and weight, 5.6 oz. *48 per case.*
- ***#103-0000.*** Markless: 5.6 oz. *48 per case.*

Beyond the Ice

From broomball to soccer, to rink conversions and more, we are your supplier on and off the ice.

Be sure to check out our custom designs on page 45 for all your soccer solutions.

We've got you covered beyond the ice.

Broomball Equipment

1-1/8" hardwood handle and rubber head angled on one side. Outdoor ball: Blue, soft, flexible molded rubber, low bounce. Orange indoor ball is official ball for national and international play.

Broomball Goal

100% steel construction with red powder-coated finish. Broomball goals come with 3.5mm knotted white braided nylon with a 4" square mesh. *Qty 1.*

- ***#109-0003.*** 5' x 7' x 24"
- ***#109-0004.*** 6' x 8' x 30"

BEYOND THE ICE

Soccer Goals

Increase revenue by outfitting your rink for soccer. Goals are constructed of aluminum tubing. Typical sizes are either 12' wide x 6'6" high or 14' wide x 7'6" high with 3mm netting. Filler panels to match your existing design are also available.

Legacy Deck

The most ideal choice for ice cover on the market. Easy to handle and install, cutting down on changeover time. Strong enough to accommodate forklifts and will not stick to the ice or absorb moisture. High 2.84 R-value. Sheets are 48" x 96" x 1".

OUR SOLUTIONS, YOUR SUCCESS.

No project is too big or too small.

Dasher Components

Kickplate

- High Density Polyethylene (HDPE)
- Solid 1/4" or 1/2" available
- Colors available: White, natural, yellow, NHL gold, light blue, royal blue, dark blue, red, black, green and grey. Additional colors and custom colors available upon request.

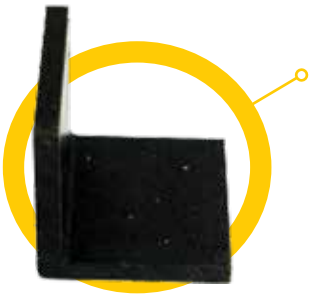

Facing

- High Density Polyethylene (HDPE)
- Solid 1/4" or 1/2" available

Back Panels

- High Density Polyethylene (HDPE)
- Solid 1/4" or 3/8" available

Poly Angle

2" x 2" x 1/4" poly angle for trimming gaps behind boards and in boxes. Available in black ***(#319-9000)*** and natural ***(#319-9010)***. Sold in 10' sections.

Colors available: White, natural, yellow, NHL gold, light blue, royal blue, dark blue, red, black, green and grey. Additional colors and custom colors available upon request.

POLY

GREAT FOR OUTDOOR RINKS!

FRP Fiberglass Sheeting

Compression-molded FRP fiberglass sheets contain UV absorbers for improved weatherability and resistance to sunlight exposure. Provides flatness and toughness with reduced thermal expansion. Facing available in solid 1/4" and 3/8" white or 1/2" laminate. Kickplate available in 1/4" yellow or white.

Poly Line Kit

Red and blue polyethylene strips for inserting in dasherboards. Kit contains four 12" blue, two 12"red, and four 2" red lines. Vinyl adhesive tape line kits also available. Choose from:

- ***#315-0020.*** 1/4" x 42" facing
- ***#315-0025.*** 1/2" x 42" facing
- ***#315-0030.*** 1/4" x 8" kickplate
- ***#315-0040.*** 1/2" x 8" kickplate
- ***#107-0290.*** Vinyl adhesive tape

Water Bottle Shelving

Custom made for any player or penalty boxes. With our quality HDPE design, shelving allows for individual use and removable sections make cleaning and sanitizing easier. Available in a variety of colors.

Inlaid Hockey Line Logos

Customize your boards with your logo.

THRESHOLDS

Equipment Gate Threshold Assembly

1" solid aluminum or steel framework with a 1/2", 1" or 1-1/2" poly cover. Radius and straight sections available. Stronger than a standalone poly threshold; will not warp. *Poly cover or framework can also be sold separately.*

- ***#308-0100.*** 1" x 7" x 120" straight
- ***#308-0109.*** 1" x 7" x 120", 20' radius
- ***#308-0110.*** 1" x 7" 120", 28' radius

Poly Threshold

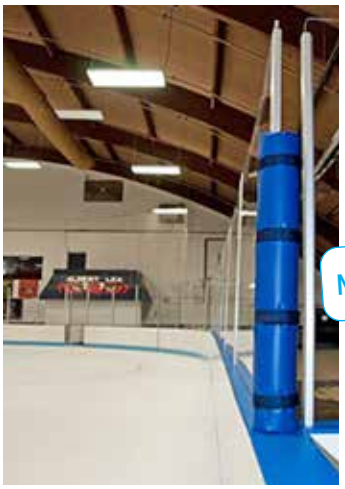

Natural white, high-density polyethylene is available in 1/2", 1" and 1-1/2" thicknesses. Lightweight, easy to install and stands up to high skate traffic. Built to match dasher board panels and is available in radius and straight options.

- ***#308-0003.*** 1/2" x 7-1/4" x 96" straight
- ***#308-0009.*** 1/2" x 7-1/4" x 96", 20' radius
- ***#308-0008.*** 1/2" x 7-1/4" x 96", 28' radius
- ***#308-0000.*** 1" x 7" x 120" straight
- ***#308-0007.*** 1" x 7" x 120", 20' radius
- ***#308-0001.*** 1" x 7" x 120", 28' radius
- ***#308-0002.*** 1-1/2" x 7" x 120" straight
- ***#308-0005.*** 1-1/2" x 7" x 120", 20' radius
- ***#308-0006.*** 1-1/2" x 7" x 120", 28' radius

Poly Threshold Ramp

A must-have liaison between the equipment gate threshold and ice dam. Guaranteed to decrease wear and tear on your ice resurfacer and equipment gate. Custom built in 1"or 1-1/2" thickness in any width and length.

30 YEARS OF TRUSTED SERVICE

Replacement rigid or swivel-mounted casters for equipment gates and storage carts. Available in both phenolic and non-marking urethane.

◀ Spring-Loaded Caster

Firm support for heavy gates prevents stress at hinges and door jams. Fully enclosed adjustable assembly applies desired preload compression. Compensates for uneven floor and ramped surfaces. Zinc-plated for rust protection and bright appearance.

- ***#303-0060.*** Rigid/***#303-0055.*** Swivel

Glass "A" Frame Cart

Heavy duty steel construction with a 15" wide plywood bed on each side slanted towards the center of the cart. Carts are available in 72" or 96" lengths. 4,500 lb load capacity.

- ***#101-0011.*** 72"
- ***#101-0021.*** 96"

Dasher Board Cart

#101-0031. Simplify takedown and storage of dasherboard panels. 48" x 96" plywood bed, steel uprights, front push bar and heavy duty ball bearing wheels with a 3,000 lb capacity.

Stackable Dasher Cart

#101-0023. Stackable dasher storage carts increase the floor space you need. These 48" x 96" heavy duty carts have a galvanized steel construction or a red powder-coated finish. Forklift is required for stacking. 4,500 lb load capacity.

CARTS

Glass Harp Cart

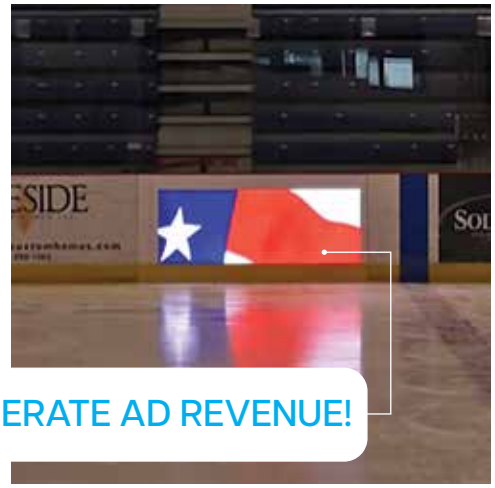

Convienent sort and store design. Easy shielding access and separation. Powder-coated steel framework. Fully grooved HDPE base. PVC covered separator. 8" casters (4,000 lb capacity). Three sizes available:

- ***#101-0006.*** 4' x 6' (stores 50 pieces of glass)
- ***#101-0004.*** 4' x 4' (stores 30 pieces of glass)
- ***#101-0002.*** 4' x 2' (stores 15 pieces of glass)

Vertical Lift Gate

An automatic vertical lift gate with a wireless remote can be designed with any dasher board system. An ideal solution when traditional swings doors are not an option due to space constraints.

LED Dasher Board Display

Bring new energy to the ice and awareness to valued sponsors. Display features include:

- High resolution, full color smooth image video display with adjustable brightness
- 100,000 hour LED lifespan
- Text, picture and video capabilities
- Easy ad download software included
- Battle-tested aluminum framework with 1/2" polycarbonate facing
- Custom made to fit any dasher board system
- 5 year warranty

FAMILY-OWNED.
American made.

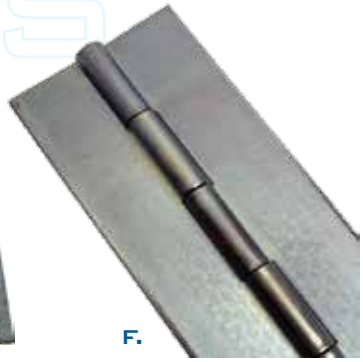

Hinges

D. E.

F.

A. Universal Lift-off Hinge

Sturdy zinc-plated steel construction. Fully adjustable with 3/4" hinge pin. Greaseable bronze bushing and 1/2" ball bearing for smooth operation. Capable of supporting large equipment gates.

- ***#305-0305.*** Left hinge
- ***#305-0300.*** Right hinge

B. Outdoor Universal Hinge

Heavy duty galvanized steel construction with 1/2" hinge pin.

- ***#305-0307.*** Left hinge
- ***#305-0302.*** Right hinge

C. Equipment Gate Hinge

#305-0000. Sturdy zinc-plated steel construction. Fully adjustable with 3/4" hinge pin.

D and E. Wood Frame Hinges

Heavy duty 3/8" steel construction with 3/4" hinge pin. Capable of handling the heaviest gates. Available in:

- ***#305-1000.*** Player Strap Hinge
- ***#305-0170.*** Equipment Hinge

F. Piano Hinge

4" wide zinc-plated steel strap hinge with 3/8" pin. For use on steel, aluminum or wood framed gates. Available in lengths of 36" or 72".

- ***#305-0410.*** 36"
- ***#305-0400.*** 72"

Hardware

A. Conduit and Cable System

We stock all hardware for installing nets: Curved and straight conduit, aircraft cable, cable clamps, turnbuckles, eyehooks, beam clamps and quick connect C-clips.

B. Cane Bolt

Provides the necessary second latching point for all equipment gates. Hardware is constructed of heavy-duty steel to stand up to daily use. *Sold separately or as a full assembly.*

- ***#307-0120.*** Assembly
- ***#307-0133.*** Guide
- ***#307-0134.*** Hook
- ***#307-0135.*** Keeper
- ***#307-0130.*** Pin

A.

B.

C.

C. Dasher Anchors

- Cast-in-place: Variable height, 5/8"
- Expansion: 3/8", 1/2", 5/8" and 3/4"
- Epoxy: 5/8" and 3/4"

D. Oversized Screws

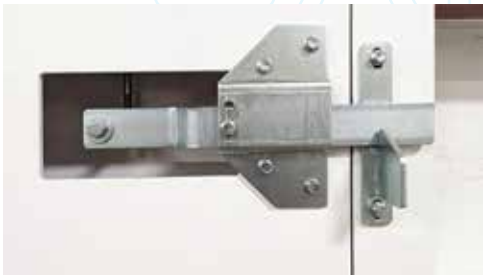

Special oversized fasteners for repairing stripped threads in steel and aluminum tubing. 5/16" threads with undersized 1/4" flat heads to match existing holes.

D.

E. Fasteners

Color-matched flat head screws and rivets in a variety of styles and lengths. For attaching facing materials to steel, aluminum, wood and plastic. Many styles and sizes available.

E.

Legacy Lift Latch

#307-0422. 3/8" plated steel bar holds gates securely. Easy to install on any door frame.

Single Bar Gate Latch

#307-0421. An economical solution. Uses the same guide and keeper as the double bar gate latch.

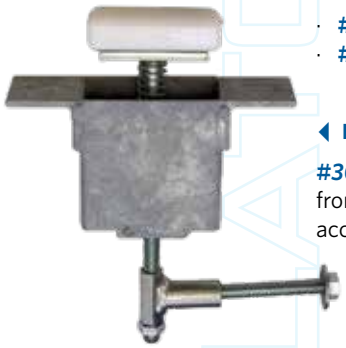

Double Bar Gate Latch

Gravity fed self-latching design gives a secure latch every time. Easy to maintain with oversize grip handle. Standard on all Rink Systems' dasher board systems.

NOTE: Push Button Latch does not include the Push Button Assembly. Sold separately (see below).

- Players Gate: Non-Push Button Latch
- Access/Penalty Gate: Push Button Latch

- ***#307-0277.*** Push Button Latch
- ***#307-0288.*** Non-Push Button Latch

Push Button Assembly

#307-0425. Allows skaters to open gates from ice side. Flush white poly button sized to accommodate gloved hands.

Slide Bar Gate Latch

Constructed of 2" x 2" galvanized steel tubing with large handle. Four heavy-duty latch guides keep gate secure. Available for 5', 4' and 3' gate doors.

- ***#307-0550.*** 5'
- ***#307-0553.*** 4'
- ***#307-0555.*** 3'

Support Post

#309-1100. Add extra support where needed around dasherboard perimeter and gates. Constructed of 2" x 2" galvanized steel tubing with oversized footplate for anchoring. Vertical mounting tabs allow posts to be fastened to any system.

A PROVEN GATE LATCH SYSTEM

means your gates will be firmly safe and secure.

Dasher Shielding

Tempered Glass

Scratch-resistant and easily maintained. Ground, flat and smooth edges are standard.

- 1/2" thickness (12 mm), approximately 6 lbs per sq ft
- 5/8" thickness (15 mm), approximately 7.5 lbs per sq ft

Clear Acrylic

Available in various full sheet sizes at 1/2" or 5/8" thickness. Cut to order with beveled edges and radius corners. Lighter than tempered glass. Approximately 3 lbs per sq ft. Scratch-resistance coating also available.

Standard sheet sizes: 48" x 96", 60" x 96" and 72" x 96". Custom cut sizes available.

SHIELDING

Arena Shield

Holds up to impacts, provides greater flexibility than tempered glass, clearer viewing and easier, quicker changeovers. **NHL approved!** Standard sheet sizes: 50" x 98", 62" x 98", or 74" x 98". Custom cut sizes available.

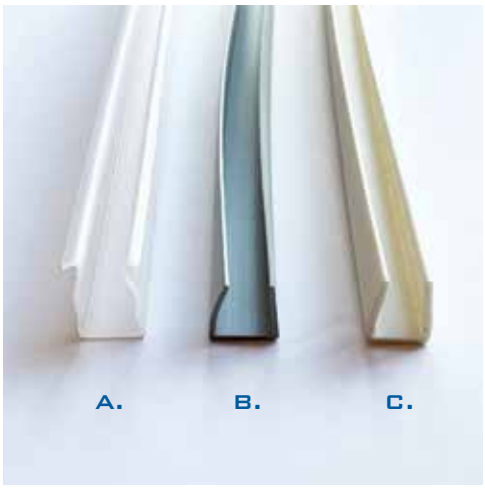

Hockey Shield

Extend the life of your acrylic shielding from player and spectator abuse, puck marks and many other types of abrasions. No need to replace your shielding. The new resistent layer of premium surface covering will give your rink a clear view. **NHL approved!**

FROM ONE GENERATION TO ANOTHER

we continue our passion and our vision to serve you and this great industry for years to come.

Gaskets/Cushions

Protect shielding on posted systems with a one- or two-piece post design for 1/2" or 5/8" glass. Comes in 70", 96" and 120" lengths.

A. ***#329-0047.*** 5/8" Clear Poly x 70"
#329-0048. 5/8" Clear Poly x 96"
#329-0049. 5/8" Clear Poly x 120"

B. ***#329-0036.*** 5/8" Gray x 70"
#329-0037. 5/8" Gray x 96"
#329-0038. 5/8" Gray x 120"

C. ***#329-0123.*** 1/2" Natural x 70"
#329-0125. 1/2" Natural x 96"
#329-0126. 1/2" Natural x 120"

Glass Edging

Clear flexible "H" and "U" gasket for vertical edges of tempered glass.

- ***#329-0100.*** H Clear x 96"
- ***#329-0001.*** U Clear 1/2"
- ***#329-0002.*** U Clear 5/8"

Postless (Seamless) Glass Cushion

Rigid polyethylene glass channel for postless glass systems. Flexible PVC glass cushion for moving glass channels. 4 ft long sections available for either 1/2" or 5/8" glass. Extruded aluminum postless glass channel also available for replacement and conversions.

- ***#329-9000.*** 1/2"
- ***#329-9100.*** 5/8"

"HD" Glass Clips

Extra-wide two-piece design for greater stability and movement of seamless glass panels. Available for both straight and curved corner glass.

A. ***#330-1010.*** Straight, 9-3/4" x 6-1/4" x 2-5/8" deep

B. ***#330-1020.*** Curved, 12" x 7" x 2-1/4" deep

Postless (Seamless) Glass Clips

#330-1000. Polycarbonate construction protects edges on postless systems. 5-3/4" x 8".

Clear Safety Corners

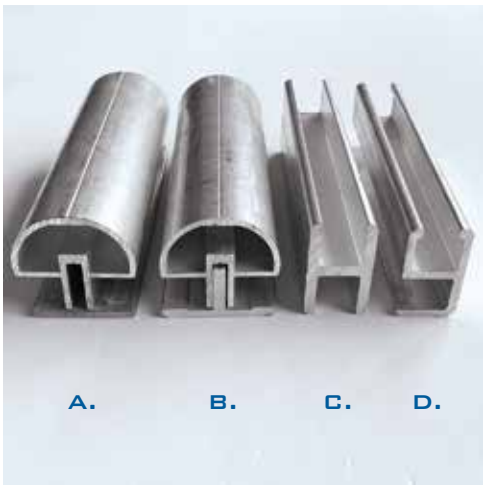

Designed with player safety in mind. Corners deflect players upper body/shoulders and decreases injuries. The 3/8" clear acrylic is spring loaded and can be made to retrofit any new or existing rink.

Camera Hole

Upgrade your shielding with RSI's camera hole. Allow your photographers to get up close and capture those amazing shots on the ice during practice, training and games.

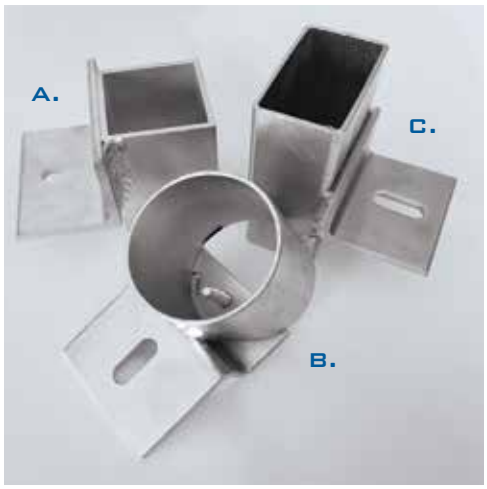

#323-0000. Camera Hole Cover sold separately

Shielding Channels

Extruded aluminum shielding channels in the following styles:

- **A.** Two-piece round post with bolt on front plate. Call for availability.
- **B.** ***#331-0041.*** Two-piece round post with "quick mount" front plate
- **C.** ***#331-0025.*** One-piece "H" channel
- **D.** ***#331-0035.*** Termination/Corner "L" channel

Support Post Pockets

Easily mount your support post to the center dasher stringer. For round or rectangle shielding supports.

- **A.** ***#399-0037, #399-0038.*** 1-5/8" and 2" post
- **B.** ***#399-0191.*** 2-1/4" round post
- **C.** ***#399-0132.*** 2" H channel post

ASK US ABOUT OUR FORK LIFT ADAPTER.

Move your glass with ease with our exclusive, custom-made **Forklift Adaptor.** Quick attachment and compact size makes for easy storage. Fits most forklifts.

Glass Harp Cart

Convienent sort and store design. Easy shielding access and separation. Powder-coated steel framework. Fully grooved HDPE base. PVC covered separator. 8" casters (4,000 lb capacity). Three sizes available:

- ***#101-0006.*** 4' x 6' *(50 pieces)*
- ***#101-0004.*** 4' x 4' *(30 pieces)*
- ***#101-0002.*** 4' x 2' *(15 pieces)*

Glass "A" Frame Cart

Heavy duty steel construction with a 15" wide plywood bed on each side slanted towards the center of the cart. Carts are available in 72" or 96" lengths. 4,000 lb load capacity.

- ***#101-0011.*** 72"
- ***#101-0021.*** 96"

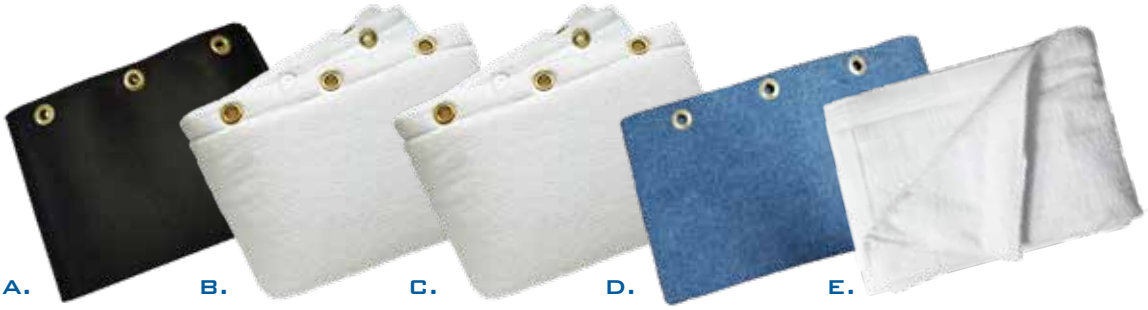

Power-Grip Glass Lifter

#127-0020. Battery-powered vacuum lifter attaches to forklift to move heavy tempered glass panels. Modular design provides 180 degree rotation and 90 degree tilt. 700 lb load capacity.

Glass Handling Suction Cups

#127-0022. 8" handheld vacuum cups provide firm, fast grip of tempered glass panels. Release valve lever permits quick and complete release. 125 lb load capacity per cup.

Edgers & Resurfacing

A. Felt Resurfacer Towel

Unique blend of material providing the ultimate finish. An alternative from the standard terry cloth option. Available in 62", 77", 80" and 84".

- ***#809-0000.*** 62" 13-hole, black, Sport Ice
- ***#809-0068.*** 77" 17-hole, black
- ***#809-0025.*** 77" 17-hole, blue
- ***#809-0035.*** 80" 18-hole, blue
- ***#809-0065.*** 84" 19-hole, black
- ***#809-0072.*** 84" 19-hole, blue

B. Cloth Resurfacer Towel (Eyelet)

Choose from 3-ply or 5-ply. Available in 48", 62", 77", 80" and 84".

- ***#809-0005.*** 48" 5 ply, 11-hole
- ***#809-0001.*** 62" 3 ply, 13-hole, Sport Ice
- ***#809-0010.*** 77" 3 ply, 17-hole

- ***#809-0030.*** 80" 3 ply, 18-hole
- ***#809-0069.*** 80" 5 ply, 18-hole
- ***#809-0050.*** 84" 3 ply, 19-hole
- ***#809-0055.*** 84" 5 ply, 19-hole

C. Foam Core Resurfacer Towel

3-ply with 17 hole brackets. Available in 77" and 84".

- ***#809-0020.*** 77" 3 ply, 17-hole
- ***#809-0060.*** 84" 3 ply, 19-hole

D. Blue Micro Super Fiber Resurfacer Towel

Non-woven spreader towel lasts four times longer than cotton. Will not shred and leaves the water in place for a flatter flood. Maximum durability with grommet holes for excellent hold. Available in 77" and 84."

- ***#809-0066.*** 77"
- ***#809-0070.*** 84"

E. Cloth Resurfacer Towel (Velcro)

- ***#809-0067.*** 77" 3 ply
- ***#809-0071.*** 84" 3 ply

Board Brush

Available for Olympia (red) and Zamboni (blue) resurfacers.

- ***#805-0002.*** Olympia
- ***#805-0003.*** Zamboni

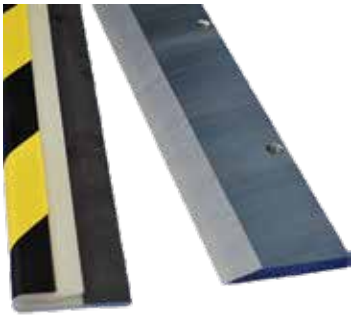

Studded Tires

#805-0011. Studded tires are specifically for rink use. Call for specific brands and sizes available.

Resurfacer Water Fill Nozzle

#111-0090. Diesel fuel pump style with backfill auto shutoff.

Resurfacer Blades

Inlaid blade made of heavy steel with a tempered edge. 1/2" high x 5" thick with beveled edge. Available in 77" and 84".

- ***#805-0010.*** Olympia
- ***#805-0020.*** Zamboni

Thomsen Ice Edgers

Thomsen Ice Edgers T-18, T-18ES

#803-0550 or #803-0551. Recoil start or electric start.

Thomsen Ice Edger T-29

#803-0555. Battery-powered electric motor with zero emissions.

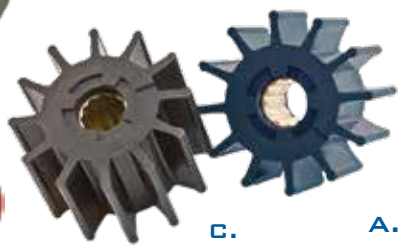

All Thomsen Ice Edgers feature:

- Stable four-wheel design for easy maneuvering on and off the ice
- Sychronistically adjusted wheels raise and lower the frame for a consistently level cutting plane
- Precision leveling of the ice with a blade designed to cut a 17-3/4" path
- Easy height adjustment and quick-change ice cutting carbide blades simplify everyday operations and routine maintenance
- Comes fully assembled and ready to use

Rink Systems is an authorized dealer for all Thomsen edger parts.

A.

C.

B.

A. Conditioner Squeegee

#805-0006. Pure gum rubber material with mounting holes. Available for all resurfacers.

B. Hose

Rigid red hose custom made to any length with brass end fittings. Standard sizes are 3/4" and 1". Also available in 1-1/4" and 1-1/2".

- ***#111-0013.*** 3/4"/***#111-0010.*** 1"

C. Pump Impeller

Available for all resurfacers. Black: synthetic material; blue: dry run.

- ***#805-0004.*** Black/***#805-0005.*** Blue

A.

B.

A. Thomsen Edger Blades

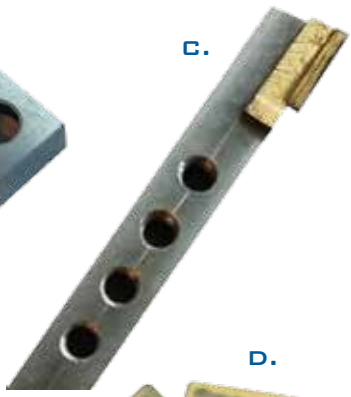

#803-0013. Replaceable carbide insert fits Thomsen T-29 Edger.

B. Thomsen T-29 Inserts

#803-0014. Replaceable inserts for the T-29 edger blade. *Each insert sold seperately.*

C. Olympia Edger Cutter Blade

#803-0017. Replacement blades for the Olympia edger. *Each blade sold separately.*

C.

D.

D. Carbide cutter

#803-0210. Carbide inserts available for both Thomsen and Zamboni ice edgers. *Each insert sold seperately.*

Ice Marking & Making

Hockey Line Kits

All lines and circles needed for a complete hockey rink layout. Three styles to choose from:

- ***#107-0200.*** Perma-Fast Paper
- ***#107-0202.*** Cloth
- ***#107-0203.*** Vinyl 100′/***#107-0201.*** Vinyl 85′

Premium Ice Powder Paint

#107-0005. White powder paint achieves uniformity on concrete or sand-based surfaces. Provides the brightest finish against any competitor's product. Environmentally-friendly cleanup and disposal. *Sold in 50 lb boxes.* 6-8 boxes cover an 85′ x 200′ rink.

Premium Ice Liquid Paint

Liquid paint achieves uniformity on concrete or sand-based surfaces. Provides the brightest finish against any competitor's product. Environmentally-friendly cleanup and disposal. *Sold in 1 gal cans.* Premixed ice liquid paint available in all PMS colors. Not available in white.

- ***#107-0001.*** Black/***#107-0002.*** Blue
  #107-0003. Goal Crease/***#107-0004.*** Red

TK Arctic Powder Ice Paint

#107-0142. The affordable choice for base coating your rink. 12-15 bags cover an 85′ x 200′ rink. *Sold in 50 lb bags.*

▲Perma-Fast Base Coat Paper

#107-0190. Excellent alternative to painting. 15 lb paper rolls are 40″ wide x 1,875′ long. One layer provides white ice for general hockey or figure skating (three rolls required). Two layers provide brilliant white ice.

Roll-Dri Paper Roller

Excellent for base coat paper application. 36″ wide roller presses the paper to the floor.

- ***#107-0350.*** Dri I *(hard)*
- ***#107-0360.*** Dri EZ II *(soft)*

Ice Painting Systems

3/4″ ID hose—200′ in length. 150 gal polyethylene mixing tank. Spray boom applicator, gas-powered pump and electric paint mixer. Options include: Storage cart, manual hose reel and extra lengths of hose.

A.

A. Safety Soles

#127-0024. Slips easily over shoes. Carbide studs located on the ball of feet. *Sold in pairs.*

B.

B. Hose

Rigid red or black hose custom made to any length with brass end fittings. Standard sizes are 3/4" and 1". Also available in 1-1/4" and 1-1/2".

- ***#111-0013.*** 3/4"/***#111-0010.*** 1"

C.

C. Flooding Hose

Custom made to any length with brass end fittings. High quality flexible PVC compound is uniquely blended to look and feel like comparable rubber hose and stay flexible at low temperatures. Standard sizes are 3/4"and 1".

- ***#111-0007.*** 3/4"/***#111-0003.*** 1"

D.

D. Flooding Nozzles

Brass or Lexan flooding nozzle. Adjusts from fine mist to heavy flow. Available for 3/4", 1" and 1-1/2" flooding hoses.

- ***#111-0012.*** 3/4" Plastic
- ***#111-0060.*** 1-1/2" Brass/***#111-0080.*** 1-1/2" Plastic

E.

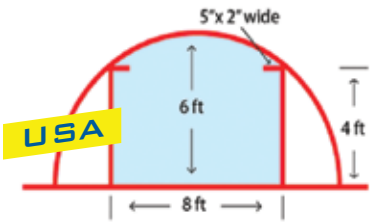

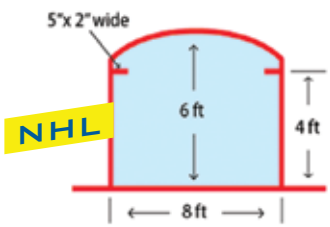

E. and F. Hose Reel and Portable Hose Reel

#111-0009 and #111-0008. Designed for air, water, oil or pressure washer applications with manual rewind by hand crank action. Professional grade, steel A-frame construction and two-point axle support for stability. Coated with durable proprietary CPC powder coat process. Rolled edges and ribbed discs for strength and safety. Reel is adaptable for any size hose and can be mounted to floor, wall, ceiling, bench or truck. Portable hose reel has swivel casters for 360 degree movement on all surfaces.

F.

Goal Creases

Light blue goal crease cutouts available in both NHL and USA hockey format. Just lay out and freeze in. Choose from high definition cloth/fiber or reusable vinyl mesh.

- ***#107-0207.*** Fiber NHL
- ***#107-0208.*** Fiber USA
- ***#107-0206.*** Vinyl NHL
- ***#107-0205.*** Vinyl USA

G. Floor Seal Concrete Sealer

Specially formulated as a curing, sealing and hardening compound for new or existing concrete floors. Apply by sprayer or roller to create consistent white surface under the ice. *Available in 5 gal and 55 gal drums.* Choose between clear or white.

- Clear: ***#125-0040.*** *5 gal*/***#125-0050.*** *55 gal*
- White: ***#125-0110.*** *5 gal*/***#125-0120.*** *55 gal*

H. Concrete Paint

Paint lines, circles, creases and logos directly onto concrete rink surfaces. Oil-based paint is an alternative to painting ice. *Sold in one gal or one qt containers.* Standard colors are red, blue and goal crease. Custom colors available.

- ***#107-0115.*** Blue Crease *(one gal)*
- ***#107-0110.*** Blue Line *(one gal)*/***#107-0111.*** *(one qt)*
- ***#107-0100.*** Red Line *(one gal)*/***#107-0105.*** *(one qt)*

H.

Curling Kits & Ribbon

15 lb biodegradable paper. Each kit contains enough cutouts for a double layer of two houses. Available in both red and blue outer circle. Ribbon available in:

- ***#107-0210.*** Red House
- ***#107-0220.*** Blue House
- ***#107-0151.*** Black 2" x 100 yds
- ***#107-0152.*** Blue 1" x 100 yds

In-Ice Logos

Reusable custom vinyl. An additional one-time set-up fee will also apply.

Ice Maintenance

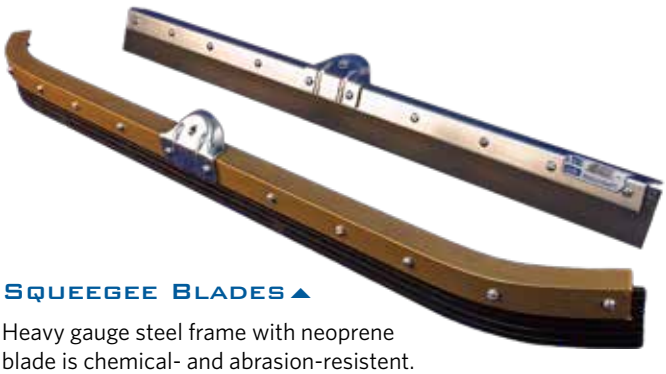

12" Ice Scraper

#127-0037. 12" wide plated steel blade with wood handle.

6" Ice Chopper

Need to power through the snow buildup and thick ice? This all-steel assembly will do the job! Available in both straight and angled handles.

- ***#127-0035.*** Straight
- ***#127-0034.*** Angled

Squeegee Blades

Heavy gauge steel frame with neoprene blade is chemical- and abrasion-resistent. Available in 24", 30" and 36" blade widths, either straight or curved, for better water retention.

- Straight: ***#129-0020.*** 24"/***#129-0030.*** 30"/***#129-0090.*** 36"
- Curved: ***#129-0070.*** 24"/***#129-0010.*** 30"/***#129-0050.*** 36"

Squeegee Handle

#129-0080. Extremely strong 5' long wood handle with steel reinforcing for floor/ice squeegee blades.

Slush Ice

#127-0023. Slush Ice seals the gap with "ice" where the boards (kicklplate) meet the rink floor. Also used to repair cracks or divots in the ice surface during the season. *Sold in 16 packs per box.*

PERFECT FOR OUTDOOR RINKS!

A. Super Pusher Shovel

#127-0050. 48" wide heavy duty curved blade with looped handle and powder-coated finish.

B. 52" Ice Master

#805-0007. Portable, hand-operated tool makes creating and maintaining high quality ice a snap. Easy to handle steel pipe frame with powder-coated finish serves as a conduit for water from a garden hose. Terry cloth spreader towel distributes water evenly for a smooth surface.

C. Aluminum Pusher Shovel

Quality, heavy duty snow pusher with 30" aluminum blade and 48" wood "D" style grip. Durable, strong, lightweight and resistant to rust and corrosion.

- ***#127-0009.*** 24"/***#127-0010.*** 30"

D. Poly Pusher Shovel

1/4" thick curved polyethylene blade with heavy duty fiberglass handle and "D" style grip. Available in 24", 30", 36" and 48" blade widths.

- ***#127-0000.*** 24"/***#127-0001.*** 30"/***#127-0002.*** 36"/***#127-0003.*** 48"

E. Scoop Shovel

Ideal for transporting snow, ice and other items around your rink. The short handle gives you more leverage to hold more weight. Available in aluminum or plastic.

- ***#127-0090.*** Aluminum/***#127-0095.*** Plastic

F. Rink Blaster

Increase work productivity and time when maintaining your rink. Heavy duty steel and powder-coated finish. Available in 36" and 48" sizes.

- ***#127-0030.*** 36"/***#127-0031.*** 48"

Cyclo Model 5 Dual Head Orbital Polisher

#123-0070. The Cyclo Model 5 simulates hand polishing but at a much faster rate. Both heads move in a circular motion, counter clockwise. Going over puck marks and scratches ensures a cleaner surface.

- Single speed, 3,000 orbits per minute, 110 volts AC, 9.5' power cord, new rocker switch
- Configured with two backing plates and ready to use with Cyclo hook and loop attached pads for cutting, compounding, polishing and protecting
- May also be fitted with optional scrub brushes
- Lightweight (6.5 lbs) and incredibly durable

A. ***#123-0010.*** Orbital Backing Plate. *Qty 2.*

B. ***#123-0060.*** Green Polishing Pad (Velcro) *Qty 1.*
#123-0030. Green Polishing Pad (Boot). *Qty 1.*

C. ***#123-0110.*** Orange Compound and Polishing Pad (Velcro). *Qty 1.*

D. ***#123-0050.*** Wool Bonnet (Velcro) *Qty 1.*
#123-0100. Wool Bonnet (Boot). *Qty 1.*

E. ***#123-0080.*** Scrub Head. *Qty 1.*

Board Brite

#103-0010. Dissolves puck marks, adhesives and more. Liquid can be sprayed or brushed.

Board Brite Rink Erasers

#103-0020. Disposable, heavy duty, 2-1/2" x 3-1/2" x 1" erasers are multi-purpose cleaning pads that clean puck marks and dirt around your rink and dasherboard facing. *Qty 50.*

210 Plastic Cleaner & Polish

Maintains and protects acrylic and other plastics. Leaves a protective coating with UV inhibitors, is anti-static, anti-fog and leaves plastics looking clear and lustrous. *Sold individually or 12 cans/case.*

- ***#103-0018.*** Case
- ***#103-0017.*** Single

Plexus Glass Cleaner

Plexus is the most effective product for cleaning, protecting and polishing clear and colored plastic or acrylic. *Sold individually or 12 cans/case.*

- ***#103-0016.*** Case
- ***#103-0015.*** Single

Novus Cleaner Polish

#103-0040. Novus No. 1: Gently cleans plastics without scratching. Leaves a lustrous shine, resists fogging, repels dust and eliminates static. *64 oz.*

#103-0050. Novus No. 2: Removes fine scratches, haziness and abrasions from most plastic or acrylic. *64 oz.*

#103-0065. Novus No. 3: Removes heavy scratches and abrasions from most plastic or acrylic. *64 oz.*

Jackson Soft-tec Figure Skates

All Dominion Comfortec hockey and figure skates include a mesh nylon upper with PVC trim; comfortable mesh lining; durable hybrid cotton foam padding with a think padded tongue; mulitple layer reinforced wrap construction; heavy duty eyelets and hooks; cut-resistant toe cap for optimum performance; synthetic, moisture absorbing insole; and size identification on heel.

***Comfortec hockey** skates feature:*

- One-piece PVC outside and heel for durability and low maintenance
- Molded blade holder with stainless steel runner, attached using copper rivets at the heel
- Men's sizes 6-15; youth sizes 1-5; children's sizes 8-13. Full sizes only.

***Comfortec figure** skates feature:*

- Molded PVC outsole with toe pick, attached using copper rivets at the heel
- Women's sizes 7-12; youth sizes 1-6; children's sizes 8-13. Full sizes only.

All Jackson Softec hockey and figure skates include a durable nylon upper with firm ankle and counter support; cushy foam padding for maximum comfort; heavy duty hooks and eyelets; footbed systems; lightweight, synthetic and torque-resistant insole which doesn't absorb moisture; and size identification on heel.

***Soft-tec hockey** skates feature:*

- Modern, thin synthetic outsole for reduced weight
- Black hockey blade with carbon steel runner
- Copper heel rivets for added strength
- Does not contain the protective elements required for playing hockey
- Men's sizes 7-15; boy's sizes 1-6; youth sizes 8-13. Full sizes only.
- Soft-tec replacement laces (white or black): 54", 72", 81", 96", 108" and 120"

***Soft-tec figure** skates feature:*

- Protective snow guard aids in reducing moisture penetration
- Molded PVC figure outsole for easy care
- All purpose figure blade
- Size identification in heel
- Women's sizes 7-13; youth sizes 1-6; children's sizes 8-13. Full sizes only.
- Soft-tec replacement laces (white or black): 54", 72", 81", 96", 108" and 120"

Jackson "Rave" Figure Skates

- Durable nylon upper
- Fully lined upper and tongue with cushy foad padding for maximum comfort
- Multiple heavy duty hooks and eyelets
- Protective snow guard aides in reducing moisture penetration
- All purpose figure blade
- Women's sizes 7-13; youth sizes 1-6; children's sizes 8-13. Full sizes only.

Laces & Insoles

Replaceable laces and insoles available for both figure and hockey skates. Laces sold in a variety of styles and colors.

STORAGE SOLUTIONS
for your unique space!

Dri-Seat

HDPE

Permanent and portable storage is available in either **HDPE** or **Dri-Seat** shelving. Both shelving options are also available to purchase separately.

Permanent Storage Units

Sturdy steel frame is zinc-plated or powder-coated. Fully adjustable shelves maximize space. Available in HDPE and Dri-Seat shelving. Standard 4′ or 6′ wall mount or self-standing units with single- or double-sided options. Under the counter options and other custom sizes can also be designed. Upgrade with acrylic or mesh doors.

Portable Storage Units

Sturdy steel frame is zinc-plated or powder-coated. Large swivel casters for quick and easy maneuverability. Fully adjustable shelves maximize space. Available in HDPE and Dri-Seat shelving. Upgrade with mesh metal or acrylic doors. Custom sizes available.

- ***#141-0042.*** 4′ Standard HDPE Unit (60 pairs)
- ***#141-0041.*** 4′ Dri-Seat Unit (60 pairs)
- ***#141-0044.*** 6′ Standard HDPE Unit (90 pairs)
- ***#141-0043.*** 6′ Dri-Seat Unit (90 pairs)

- ***#141-0037.*** 4′ Acrylic Doors/ ***#141-0037.*** 6′ Acrylic Doors
- ***#141-0040.*** 4′ Mesh Metal Doors/***#141-0040.*** 6′ Mesh Metal Doors

Skate Tree

Maximize storage space with our affordable vertical rental skate storage solution. Each adjustable post can hold up to 60 pairs of skates, while taking up only a 2′ x 4′ area. Sturdy steel upright posts and arms are finished in black powder coat. *Choose fully assembled or arms sold separately.*

Roller Skate Storage

HDPE portable shelving units designed specifically for roller skating. Conversion kits (compatible with Rink Systems' rental storage units) to modify existing storage also available. Call for pricing and other custom options.

- ***#141-0013.*** 6′ Standard Portable Unit (70 pairs)

Inline Skate Storage

Sturdy steel frame is zinc-plated or powder-coated. Large swivel casters for quick and easy maneuverability. Available in HDPE shelving with stoppers and steel bracket dividers for secure hold. Custom single- and double-sided units available.

- ***#141-0011.*** 4′ Standard Unit (30 pairs)
- ***#141-0012.*** 6′ Standard Unit (80 pairs)

Wood Frame Skate Storage

An economical storage solution. A great option for extra skate storage but recommended for areas that are free from moisture. *Shelves available in 4′ or 6′ units.*

LEGACY LOCKERS: THE BEST DECISION YOU CAN MAKE FOR YOUR LOCKER ROOMS!

Trust us to create and renovate your custom space. First impressions are made in the locker room!

Legacy Locker

We are changing the way locker rooms look and last with the Legacy Locker and Cubby...designed and manufactured by Rink Systems!

- Custom made to fit your space
- 3/4" HDPE construction
- Eliminate rust, mold and splinters
- Waterproof and simple to clean and maintain
- Under the seat storage and ventilation
- Withstands rigorous use from athletes
- Standard dimensions are 24" x 72"
- Available in many styles and colors

Legacy Locker Deluxe

Same standard features as the Legacy Locker with the following optional features:

- Top drying rack
- Lock box
- Skate hooks
- Padded seat and/or padded back rest
- Custom logos

Cleland Ice Skating Rink, Fort Bragg, NC

Burbank Ice Arena, Reading, MA

FAMILY-OWNED.
American made.

LOCKERS

Legacy Polygrain Locker

Like the wood style lockers but not the hassle? We have now added Legacy Polygrain Lockers to our product line. Same features and quality of our Standard and Deluxe Legacy Lockers but with a new look to love.

Choose from three colors below: *(top to bottom)* Northwestern Walnut, Susquehanna Gray and Oylphant Oak.

The Cubby

3/4" solid HDPE construction with easy rail mount installation. Easy to clean and maintain with reduction of mold and rust. Combine with our floor or wall mount benching options. Available in a variety of colors, including Polygrain.

Rink Systems Innovations

Benches—Wall Mount Bracket

Heavy duty steel angle construction. Galvanized or powder-coated finish. Perfect for locker rooms and lobby benches. Available for a variety of bench depths, including ADA.

Equipment Hook ▲

Heavy duty steel construction. Powder-coated finish. Mounts directly to wall over benches.

Equipment Hooks with Shelving ▲

Heavy duty steel angle construction. Powder-coated finish. Recycled lumber top shelf. Mounts directly to wall over benches.

HDPE Plastic Recycled Lumber

Rink Systems uses HDPE Plastic Recycled Lumber in many of our manufactured products. Can be purchased separately and comes in a variety of colors and sizes.

Floor Mount Pedestal

Constructed of 1/4" x 6" x 6" thick mounting plates with a 2" square steel vertical support. Hot dip galvanized to prevent rust. Choose 18-1/2" high straight or angled base to help prevent contact with skaters' blades. Two-piece removable socket mount available for where benches are to be removed.

Recycled Plastic Lumber—Lobby Seating

Combines the floor mount pedestal with durable 100% recycled plastic lumber seating. Available in a variety of sizes and colors.

Rink Side Benches

Add an additional level of seating and convenience around the rink. Custom or standard 20" straight or curved bench tops are constructed with 3/4" HDPE and mounted on zinc-plated steel angle supports. Available in a variety of colors.

Folding Benches

Create more space with these fold-down benches. Aluminum seat planks with HDPE tops are available in a variety of colors and sizes.

- ***#302-0031.*** 8'
- ***#302-0030.*** 10'

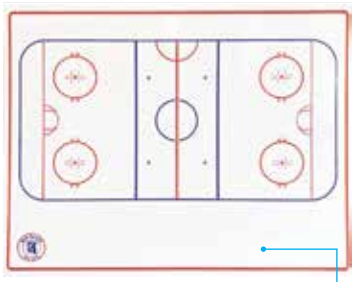

Stick Rack with Finger Bar

#302-9000. Great organizer for locker rooms and player boxes. 3/4" HDPE. Standard width is 48" with custom sizing available. Rack option or easy to mount stand alone finger bar. Available in a variety of colors.

Stick Rack with Pegs

#302-0046. Tapered storage base constructed of 3/4" HDPE. Prevents rust that occurs in metal racks. Standard width is 48" with custom sizing available. Available in a variety of colors.

Coach's Dry Erase Wallboard

Dry erase board made from durable polystyrene available in two sizes: 32" x 48" or 24" x 31". Mount to any wall for easy viewing. Board comes pre-marked as shown and makes teaching plays a whole lot easier.

- ***#103-0005.*** 32" x 48"
- ***#103-0004.*** 24" x 31"

CUSTOMIZE WITH YOUR OWN LOGO!

Wall Mount Stick Holder

#302-0048. Perfect for locker rooms and player boxes. 4' standard wall mount design is red and holds up to 21 sticks in line and off the floor. Quick and easy installation. Also available in custom sizes and colors.

Park Benches with and without Back

6′ and 8′ long durable recycled lumber benches. Available in a variety of colors.

Lobby Benches with and without Back

Custom built recycled plastic lumber or HDPE bench tops with aluminium supports. Essentially maintenance free. Attractive, colorful and durable. Available in a variety of styles and colors.

Aluminum Planks

#450-1100. 9-1/2″ wide x 1-3/4″ thick extruded aluminum planking for bleacher seats and benches. A variety of mounting brackets and support pedestals are available.

BENCHES

Recycled Plastic Lumber—Stadia Seating

Custom extruded from purified blends of recycled plastics. Easily machined and essentially maintenance free. Resistant to moisture, fading, insects and warping. Requires no waterproofing, staining or maintenance other than soap and water. High color stability UV pigment systems minimize material breakdown from prolonged sun and weather exposure.

Bleachers

Custom plastic, wooden or aluminum bleacher systems available.

Hex Tables

#141-0002. Open-seat, hexagon tables are constructed of heavy 100% recycled plastic lumber. Available in a variety of colors.

High Lobby Tables

#141-0003. Sturdy, powder-coated, steel base and pedestal with 30″ polyethylene tops. Available in a variety of colors.

SEATING

UNMATCHED CRAFTSMANSHIP.

30 years of industry-leading innovation.

Skate Sharpening

Skate Sharpening Accessories

Rink Systems carries a complete line of accessories for all makes and models of skate sharpeners including: grinding wheels, diamond dressers, wear pads, lube sticks, hand hones, skate holders, vacuum systems and filters.

We serve all major brands: Blademaster, E-Z Sharp, Wissota, Blackstone, Cag One and Sparx.

MANUAL SHARPENERS

Wissota

The Wissota is a professional quality commercial skate sharpener for rinks, skate shops, schools and even home use. Made in the USA, Wissota sharpeners are one of the most affordable and easy to use machines on the market. Gain a competitive edge with precision, safety, and durability. *Warranty information available upon request.*

Blademaster

Recognized as a global leader, Blademaster offers the most extensive line in skate care and equipment. Machines are ideal for professional equipment managers and retailers. Blademaster is an official supplier to Hockey Canada and USA Hockey. Triple, double, single, portable and table top machines are available. Set up and training with all machines. *Warranty information available upon request.*

AUTOMATIC SHARPENERS

Cag One

Cag One has taken the complexity out of skate sharpening. Machines offer automated grinding equipment that is simple to use and understand. Machines are easy to calibrate and provide quality and durability. Cag One truly represents industry benchmarks in both precision and simplicity. *Warranty information available upon request.*

Sparx

Sparx lightweight designs allow for more portability from home to the rink. Tested by thousands, including youth, collegiate, Olympian and NHL players, its unmatched accuracy and consistency produces a professional grade result every time. The patented designs create precision sharpening with minimal to no adjustments necessary. Sparx machines are easy to use and safety features provide confidence even for beginners. *Warranty information available upon request.*

REGUPOL AMERICA

Regupol America Aktiv

Regupol is a premium rubber flooring that is designed knowing that intense sports require intense support. Regupol manufactures their products from synthetic materials that have been recycled and reprocessed. This process makes their product extremely dense, resilient and wear resistant for the facilities with the heaviest traffic. Regupol fits into every space and impacts sound insulation and vibration isolation. Its durability, along with multiple color options, will create a look that is functional and attractive. Available in glue down and loose lay options. *Warranty information available upon request.*

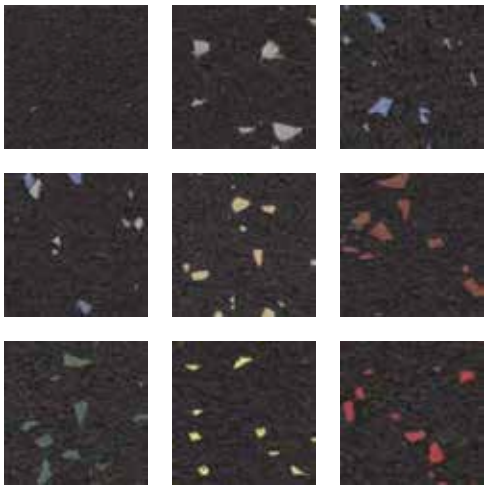

Dimensions:

- 3/8" x 48" wide rolls
- 1/4" x 48" wide rolls

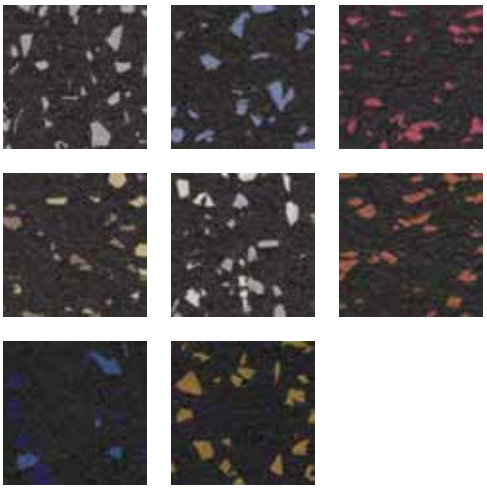

Also available in Regupol America AktivLok Interlocking Tiles.

Dimensions:

- 24" x 24" x 3/8"

THE SURFACE COMPANY SURFACECO

SurfaceCo

SurfaceCo manufactures high performance, cut-resistant "trued" mats and interlocking tiles from recycled rubber. This loose lay flooring is manufactured with a vulcanized process that offers strength, tear and abrasion resistance. The non-porous surface is built to provide longevity in a facility where durability and high impact use is needed. Flooring, once installed is virtually maintenance free. *Warranty information available upon request.*

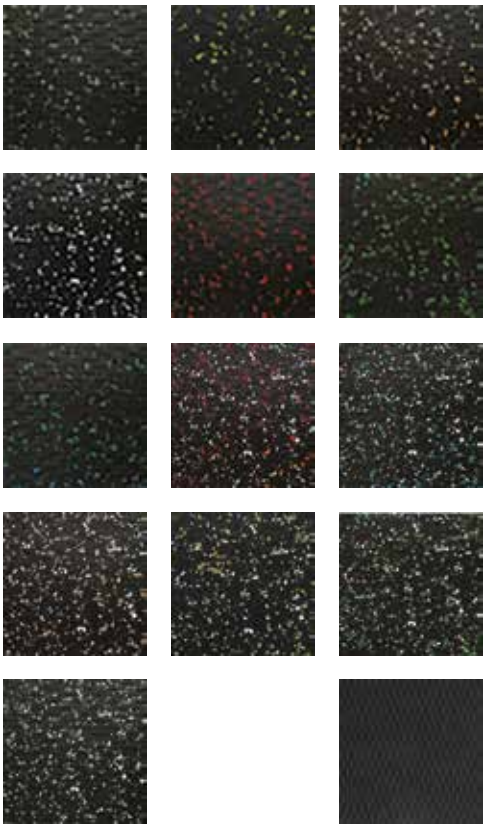

Interlocking tiles dimensions:

- 3/8" x 4' x 6', 1/2" x 4' x 6' or 3/4" x 4' x 6'

Mat dimensions:

- 3/8" x 4' x 6', 1/2" x 4' x 6' or 3/4" x 4' x 6'
- Color: Black

Corner and border tiles are also available for all thicknesses.

Interlocking Tiles. *Top (l to r): Glacier, Yellow and Tan. Second row (l to r): White, Red and Green. Third row (l to r): Blue, Red/White and Blue/White. Fourth row (l to r): Tan/White, Yellow/White and Green/White. Bottom (l to r): Glacier/White and* ***Mats:*** *Black.*

MONDO

Mondo Ramflex

Ramflex is a leading choice for a facility that needs to withstand intense traffic and constant stress. This two layer, vulcanized rubber flooring is engineered for a wide range of uses, shock absorbency and stability. Mondo Ramflex is a glue down flooring to prevent movement and moisture. Its non-porous surface requires no coating or finishes, eliminates odors and is easy to clean and maintain. *Warranty information available upon request.*

Dimensions for 6mm:

- Width: 6′
- Tile size: 3′ x 3′
- Weight: 1.89 lbs/sq ft

Dimensions for 10mm:

- Width: 6′
- Tile size: 3′ x 3′
- Weight: 3.2 lbs/sq ft

Mondo Ramflex. *Top (l to r): 986, 920 and 712. Middle (l to r): 710, 741 and 715. Bottom (l to r): 790 and 707.*

Mondo Sport Impact

For the most demanding skating areas, Sport Impact is a premium vulcanized resistant rubber flooring that is capable of absorbing the heaviest traffic. Sport Impact resists traction, lacerations and heavy loads for those intense sports activities. This flooring ensures stability, shock absorption, incomparable safety and comfort. Its non-porous surface requires no coating or finishes, eliminates odors and is easy to clean and maintain. *Warranty information available upon request.*

Dimensions for 6mm:

- Width: 6′
- Tile size: 3′ x 3′
- Weight: 1.76 lbs/sq ft

Dimensions for 10mm:

- Width: 6′
- Tile size: 3′ x 3′
- Weight: 2.9 lbs/sq ft

Mondo Sport Impact. *Top (l to r): S154, S110 and S141. Second row (l to r): S114, S136 and S062. Third row (l to r): S055, S026 and S008. Bottom (l to r): S018, S011 and S073.*

**Color options vary and are subject to change.*

PROTECT-ALL®

Protect-All

Protect-All is an all-purpose flooring manufactured from 100% recycled polyvinylchloride, interlaced with strand reinforcement for added strength and durability. Provides slip, stain, cut-resistant and fire protection for areas exposed to water, heavy-traffic patterns and extreme weight loads. *Warranty information available upon request.*

Dimensions:

- 1/8" and 1/4" thickness
- Sheets: 60" x 96" and 60" x 60"
- Square Tiles: 24" x 24"
- Interlocking Tiles: 18" x 18"

Protect-All. *Top (l to r): Dark Gray, Light Gray and Terra Cotta. Middle (l to r): Black, Burgundy and Green. Bottom (l to r): Blue and Brown.*

*Color options vary and are subject to change.

Custom Flooring Logos

Custom logos are available for most floor brands.

Nyracord Runners®

SPORTS SOLUTIONS WITH FIRST-CLASS SERVICE.

We hold ourselves to the highest standards and stand behind our products and our service 100%.

Customer Service

Whatever your needs, whatever your questions, you will find everything to your satisfaction at Rink Systems, Inc. for one simple reason:

Our customer service is the best!

You will always find an experienced professional at the other end of the line—dedicated, knowledgeable and ready to make your experience hassle- and worry-free!

Ordering is a cinch! Rink Systems takes great pride in coming through for you on a tight timeframe, with same day shipping for many items. Give us a call...we'll get it there in time!

Quality Manufacturing

All of the fine product we manufacture—including dasherboard systems, hardware, goal frames, skate storage systems, etc.—are first designed and tested by our own professional engineering staff to assure maximum quality and reliability.

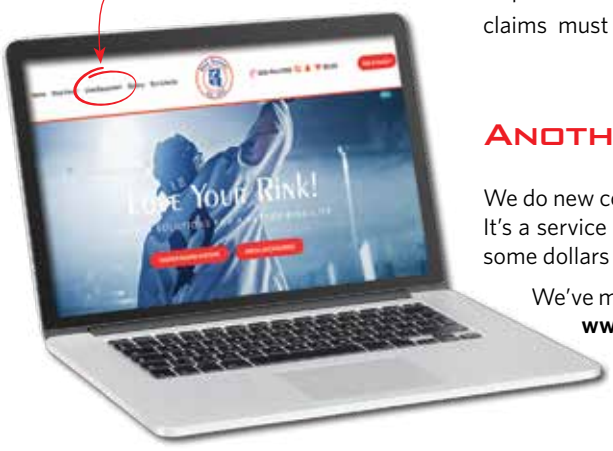

Every dasherboard and their components, as well as numerous rink products throughout this catalog, are manufactured "in house" from start to finish by our highly trained and experienced team. This provides the greatest level of quality control and guarantees that your order is built and shipped exactly as designed.

Ordering Instructions

Terms, conditions, prices and specifications are subject to change without notice. Prices in effect at the time of shipment will be used. All applicable sales tax will be added. **Terms:** Payment is due Net 30 days unless quoted otherwise. All orders are subject to credit approval. Prepayment is required with each order until credit is approved. **Past Due Payments:** All past due accounts are subject to monthly finance charge. Orders will not be shipped when a deliquent balance exists on an account. **Backorders:** Unless otherwise instructed, out-of-stock items will be automatically backordered and shipped as soon as possible. **Freight:** All shipments, unless otherwise specified, are shipped F.O.B. stocking locale. Shipping costs are additional unless quoted otherwise. All stock orders will be shipped within 24-72 hours after credit approval, or you will be notified of changes. Notification of damages or shortages must be made within five (5) days of delivery. Rink Systems, Inc. is not responsible for damage or loss in transit. All freight claims must be filed with the delivery carrier.

Guarantee: We guarantee all goods against manufacturing defects and insist that you be satisfied. **Returns:** A Return Merchandise Authorization (RMA) is required on all returns. All returns must be shipped pre-paid and are subject to a minimum 15% handling and restocking charge. All unauthorized returns will be returned at the customer's expense. Customized items shall be approved by the purchaser prior to construction and are not returnable. Contact our office for further information and instructions. **Responsibility:** Rink Systems, Inc. cannot assume responsibility for personal injury or property damage incurred by or through the use of any product represented in this catalog. **Policy:** We reserve the right to correct all photographic, clerical, typographical and printing errors in this catalog, or to make any changes in specifications which are necessary or which, in our opinion, improve the product. **Material Safety Data Sheets:** We provide the appropriate Material Safety Data Sheets for all required products.

Check out our inventory of used equipment right from our website: **www.rinksystems.com**

Another way to outfit your rink...

We do new construction and renovations, but did you know that we also offer quality used equipment? It's a service that we offer to provide our customers with the opportunity to complete their rink, save some dollars or repurpose when possible.

We've made it easier! Find our inventory of new—and used—equipment directly on our website at **www.rinksystems.com**. Be sure to check back often as our inventory changes quickly.
