Legacy Pro™ Aluminum & Xtreme Pro™ Steel

Camp Laurel
Mount Vernon, MA

Camp Whittle
Fawnskin, CA

Our Xtreme Pro™ steel dasher boards are designed specifically to match the strength and durability of our Legacy Pro™ dasher boards. At a significant reduction in cost. Ideally, the Xtreme Pro system is suited for outdoor community ice or inline hockey. This system features a hot dip galvanized tubular steel framework with fiberglass facing. Available with acrylic, tempered glass, chain link fencing, or nylon mesh netting. Made in the USA.
