

Howard Park
South Bend, IN

Our Glass Rail™ system is the perfect choice for outdoor recreational skating rinks. The attractive see-through design appeals to both skater and spectator, giving the feeling of skating on an open pond. Features a 12" high curb with an aluminum handrail and glass panels. This modular system can be set up and taken down with ease. Made in the USA.

seasonal

Glass-Rail™ & Icelock™

Our Ice Lock™ dasher boards are designed with portability in mind. This system can be set up virtually anywhere for a seasonal ice skating rink. Features a tough hot dip galvanized tubular steel frame with clear or white fiberglass facing. The specially designed Ice Lock™ post freezes into the ice surface, providing proper support without anchoring. Made in the USA.
