BOARD BRITE

Board Brite is an environmentally safe industrial cleaner concentrate that penetrates and dissolves adhesives, tar, puck marks, difficult dirt, and grime. Board Brite is safe and without harm to the environment or the operator when used according to directions.

Board Brite forms a mixture with the soils that is readily flushed with water. Nearly neutral pH, Board Brite is non-toxic and safe on most metals and painted surfaces. Apply to a small portion of the surface as a test before use. Pleasantly scented with no harmful fumes.
